

Dream Team Council

Summary:

This Dream Team council is a group of families who are eager to support the execution of Dream Teams in schools. You may consider implementing a DT council in your school.

What did the Dream Team Council do?

In preparation for Dream Teams

- Marketing for Dream Teams by handing out flyers and connecting with families during school drop off and pick up hours
- Scheduling for Dream Teams (*with the google form system, anyone could support scheduling, not just Goal Coaches)
- Offering proactive input on decisions and planning for Dream Teams

During Dream Team Night(s):

- Help with set-up and break down
- Led a Dream Team Council booth to build relationships with families, ensure they felt warmly welcomed, and share key family information (e.g. school calendar)
- Take event photos
- Join Dream Team meetings (especially for Scholars who needed more participants)
