

The SEEQS Vision:

SEEQers will be stewards of planet Earth and healthy, effective citizens of the world.

Intellectual Safety
 “In an intellectually safe place there are no put-downs and no comments intended to belittle, negate, devalue, or ridicule. Within this place, the groups accepts virtually any question or comment, so long as it is respectful of the other members of the circle (Jackson, 2001).”

Community Building Structures

- Advisory
- Physical Activity
- Morning Meeting
- Community Ball
- Long Advisory
- Town Hall
- Assemblies
