

Literacy Tutoring Powered by Reading Partners

Partner with us

Reading Partners has over 20 years of experience supporting students through robust, proven one-on-one literacy tutoring, working in partnership with schools, communities, and families. Students enrolled in Reading Partners make impressive gains, and we know there are many more students who could benefit from our proven model. Together with our partners, we will expand access to literacy support among student populations across the nation.

How it works: The *powered by Reading Partners* model provides our partners with engaging, high-quality educational materials and extensive training to implement effective literacy tutoring with students.

Our suite of resources

Evidence-based curriculum

Partners receive access to Reading Partners' proven curriculum for providing one-on-one literacy intervention.

Online tutoring option

Partners receive access to the Reading Partners Connects System for scheduling sessions, accessing materials for online tutoring, tracking student progress, and connecting students and tutors virtually.

Comprehensive coaching and training

The Reading Partners team provides partners with comprehensive start-up training and ongoing training materials for staff and tutors. Reading Partners also offers consistent coaching and support to ensure program implementation is meeting your goals for students.

Family resources

Additional materials available for family engagement activities outside of the core tutoring model are available for partners.
